A note from Miss Claire

Dance Energy Principal

Happy May everyone!

If you are new to our studio, welcome! If you are a long term family, thank you for choosing us! :)

I can't believe how quickly this month has flown by. Our students have been working hard in the lead up to Mid Year Showcase, ATOD Comps, Exams, competitions as well as improving their skills, making new friends and having a blast. Phewww! I am tired just writing that :P

On a personal note I have been very busy moving house (a dreaded job as I am sure many of you would understand). But, Kurt (my partner) and I are thrilled to have bought our first house. We are now in, but have a HEAP of work to do over the next few years haha. I am finding paint all over my body still!

We are super excited to be launching some awesome new Dance Energy class wear very soon! It is super trendy and we have a big variety for different tastes, ages, genres and class needs. I am sure the kids are going to love it! We also have some exciting announcements coming soon in relation to new offers, new events, holiday workshops and our studio space!

As a team, we honestly are so excited for our Mid Year Showcase and are SOOOOO looking forward to seeing our students shine ON STAGE. It is a wonderful relaxed and enjoyable day for all!

>> (Don't forget to grab your tickets here) <<

Thank you for being so awesome and being a part of the DE fam. We love having you and your child as part of our tribe!!

Talk soon.

Love, Miss Claire xx

Notes from Office

- We would also like to remind all families that NO parking is permitted in the designated Electrolysis business car spaces or in next door's car park. We have been advised that doing so may result in your car being towed. We kindly ask that you park in the Dance Energy car park spaces, on the street or at the front of the studio and walk around to the entrance. We thank you for your co-operation in this matter.

Have you heard??

Mid Year Showcase this term!

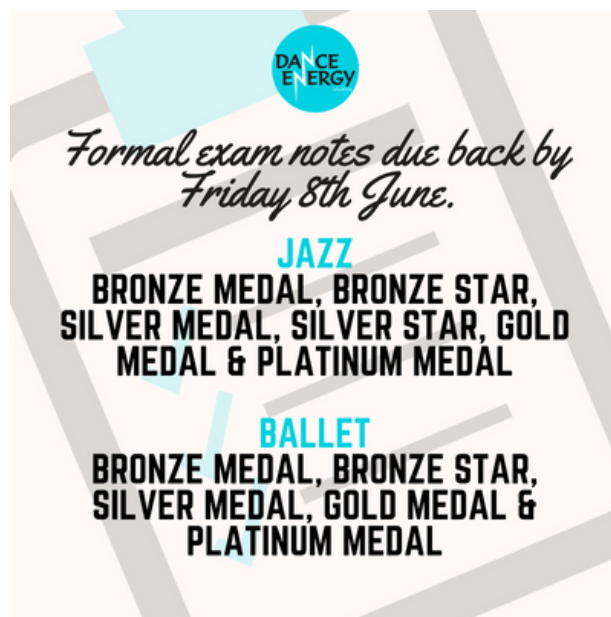

This is going to be a relaxed event (no costumes or make up) which will give students another opportunity to perform on stage in front of friends and family, doing what they love!
