

DANCE ENERGY NEWS FLASH

AUGUST NEWSLETTER

A NOTE FROM THE STUDIO DIRECTOR

BY MISS CLAIRE

Surely it isn't August.... right? What a year we have had so far! During this pandemic, I have watched so many young people navigate this unknown and unforeseen circumstance with positivity and grace. As a teacher, it was so inspiring watching how easily kids adapted to online learning & continued to thrive. As a business owner, whilst obviously this whole situation wasn't ideal, it taught me so many new things about myself, business structures & different ways I need to adapt and diversify in the future. But most importantly it instilled such a huge sense of community and I will be forever thankful to the parents & students who supported us through such a tricky time and our amazing Teachers who stepped up and went above and beyond. Whilst none of us know what is in the future for us, rest assured we are doing our best to reduce the risk at the studio. Closely following our covid safe plan with cleaning between each class, deep cleaning between days and more disinfecting than I even thought possible. It has been a challenge, but now seems to be a bit more of our regular routine. We are busily planning for our 2020 concert which is very exciting! While I don't think it will be exactly the same as previous years, we are strategising and planning to ensure it can run as smoothly as possible. We plan to make this concert a blast for the whole family and can't wait to share more information soon. There are lots of exciting things happening at the studio this term and I can't wait to share them all with you very soon! Here is to a happy and safe Term 3! Love, Miss Claire xx

WHAT'S INSIDE

A note from Miss Claire & Miss Crystal

Our first competition of 2020!

Concert Announcement!

A NOTE FROM MISS CRYSTAL

BY MISS CRYSTAL

Hi Everyone,

Just a few quick reminders:

- We please ask that all families slow down and take extra care when entering and exiting the Caloundra HQ car park. We understand that sometimes parents can be late either dropping off or picking up students, but the safety of everyone is our highest priority. Please be assured that staff are always present on site should you be late to pick up.
- We please ask for your patience in responding to emails, phone calls and text messages. The office is open 2-6pm Monday to Friday and all emails, calls & messages received outside these times will be returned during these hours.

You can contact the office on 0404303757 or email admin@danceenergystudios.net.au

- We please ask that everyone treat staff with respect when attending both our HQ & Talara Primary locations. We are doing the best we can to both adhere to the covid restrictions (which are mandatory to the studio operating) and also to ensure the best possible experience for all students. The safety and wellbeing of our staff, students and families is our highest priority.

Also below is a link to our Term 3 timetable for reference and for you to either save to your phone or print

https://danceenergystudios.net.au/t3_2020/

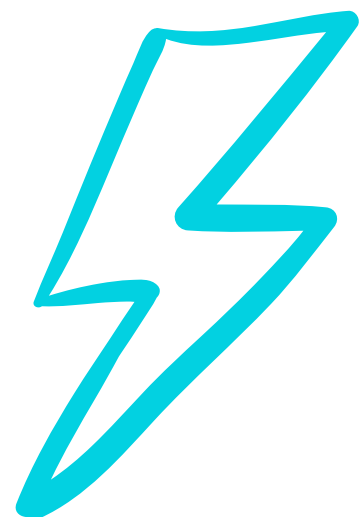

We thank everyone for their understanding and support of the studio!

CONFIDENT KIDS!

This month at Dance Energy we are all about Confident Kids! Our aim is to create a supportive learning environment where kids can thrive and grow to become their best confident selves! Classes will be focussed around stage presence, performance qualities and confidence building activities to ensure each child has the tools to put their best foot forward in all areas of DANCE! At Dance Energy, we believe each student should have the opportunity to shine and should feel completely confident doing so, so this month we are all about creating confidence and self esteem building habits within our classes to provide our students with qualities they can apply to all aspects of life!

"Optimism is faith that leads to achievement. Nothing can be done without hope and confidence."

- Helen Keller

EVOLUTION DANCE COMPETITION

BY MISS NICOLA

At the beginning of this month, our Dance Energy Junior and Senior Company students competed in their first competition of the season at Evolution Dance Competition in Brisbane! Each and every one of you worked incredibly hard to re work, polish and for some, learn routines (some even via Zoom!) in the lead up. After a year of uncertainty as to whether we would see a competition, we were so excited to see you guys finally get a chance to shine onstage! Congratulations on your performance and we thank you for your continuous efforts and commitment to the team.

CONCERT ANNOUNCEMENT

BY MISS NICOLA

That time already! 2020 has been a crazy year that's for sure, and we were so excited to finally announce our concert theme! This year will be a 'Kaleidoscope Festival' theme! This year will be slightly more unstructured, but you can expect lots bright colours, fun music and plenty of smiling faces! In the coming weeks, students should expect routines to be started in classes, so make sure you're there! Keep your eyes peeled for venue and ticket information being released, we cannot wait to celebrate the end of a challenging year in the most exciting DE style we can!
